Jet’s international passengers to transfer direct to domestic flights through international terminal security hold area.

International Jet Airways’ passengers landing at Mumbai’s CSI Airport, and connecting on to domestic flights will now have the option of being able to transferred to the domestic terminal to board the ir flights directly. This facility is available to passengers of Jet Airways flights arriving at Mumbai between 2:30am and 6:45am and connecting to domestic flights.

The airport operators, MIAL, have assigned gate numbers 4 and 5 in the security hold area of the international terminal for this facility. For now this security hold area will be open only between 3am and 7am, but should provide major relief to many of the middle east flights of Jet Airways that arrive in to Mumbai at this time.

Guests still have the option to leave the international terminal and go on their own to the domestic terminal if they wish to do so.

Incoming Jet passengers connecting to domestic flights are required to clear Immigration and Customs formalities, collect their bags, and have them screened. Once completed, guests may proceed to the domestic transfer check-in counter to drop their bags, proceed to the security hold area in Terminal 2C, complete their security checks and awaiting board for their respective flights. The security ho ld area has refreshments and light snack facilities along with wash room<|return|>
